JECA uses **FACTS Tuition Management** for all Tuition & Fees collection and Tuition Assistance analysis.

FACTS directly bills the family an annual FACTS Enrollment fee based on the number of tuition payments you have chosen. This fee will be added to your account and automatically withdrawn once your payment plan has been finalized. You'll see that description line as "Enrollment Fee". These fees do not come to JECA.

- Pay in Full / Two Payments - $25
- Three or more payments - $55

Enrollment at JECA is a full school-year commitment. No portion of tuition paid or outstanding will be refunded or canceled except for situations out of your control receiving approval from the Board. Selecting to pay tuition in monthly payments instead of in full does not create a fractional contract or in any way relieve the parents of the responsibility for the entire tuition due.

- A late payment **penalty** of 10% of the due monthly payment, or 7% of the due annual/semi-annual payment, may be charged for payments not received by the scheduled payment date. If two-payer and miss the December due date, the discount of $100 may be added back to your balance.
- If the tuition payment is not received by the end of the month, the student(s) **may not be allowed to continue** in school until the account is brought up to date.
- Tuition Deposit and all tuition payments are **non-refundable**.
- NSF Fees - FACTS charges $30 per non-sufficient funds occurrence

Tuition Credit Referral Incentive Program:

JECA has a Tuition Credit Referral Incentive Program which is designed to encourage JECA families to refer new families for enrollment. The program aims to foster community growth while providing financial relief to both the referring and matriculating families through tuition credits. In short, both parties will receive a $1000 credit in year one, and a $500 credit if they both remain in year two. Faculty/staff will receive a cash payout. Please review the program details for more information.
